Michael I. Mott Chron Files Collection, NASA Headquarters Historical Reference Collection.

<u>Series Description</u>

This series consists of files of the National Aeronautics and Space Administration (NASA) Associate Deputy Administrator (Technical) (1994-1998) Michael I. Mott. Records contain chronological files collected by Mott during his tenure reflecting and supporting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; and records of official meetings. Specifically, this series contains correspondence files; reports; meeting files; Shuttle-Mir program; International Space Station (ISS) program; international cooperation; X-33 single-stage-to-orbit technology demonstrator; and Space Shuttle payloads.

General Notes

Michael Mott's official papers are held at the National Archives in College Park, MD.
